

Second Update-New Skin Substitute Policies No Longer Taking Effect

October 03, 2023

Novitas, First Coast, and CGS Part B MACs announced on September 28th, 2023, that their previously finalized new skin substitute policies **“will not become effective on October 1.”**

Novitas and First Coast issued this guidance in their current skin substitute LCD and CGS issued this guidance in their current skin substitute LCA.

All three of these Part B MACs added, *“A new Proposed LCD will be published for comment and presented at an Open Meeting in the near future. This LCD will remain in effect.”*

Note: The links to the previously finalized policies that were to take effect October 1st, 2023 are no longer active.
