

# Prior Authorization Requirements for UnitedHealthcare Oxford Plans

**May 04, 2023**

It has been brought to our attention by several doctors that they have been receiving denials from UnitedHealthCare Oxford for missing prior auth for RFC codes. Please note that these denials reflect the prior-auth requirement that went into effect January 01, 2023. Please see below:

As of **January, 01 2023**, the codes below **require prior authorization** for all healthcare professionals who participate in inpatient and outpatient services with **Oxford Commercial Plans**:

<b>Foot surgery</b>	Prior authorization required	28285*	28289*	28291*	28292*
		28296*	28297*	28298*	28299*

<b>Routine foot care</b>	Prior authorization required	11055	11719	11720	11721
--------------------------	------------------------------	-------	-------	-------	-------
