

Codes to Report Instead of CPT 99343

April 06, 2023

Several providers have been receiving rejections from Medicare for CPT 99343. Please note that this code has been deleted as of January 01, 2023.

Please see below for the other codes to report instead:

99341	Home or residence visit for the evaluation and management of a new patient, which requires a medically appropriate history and/or examination and straightforward medical decision making. When using total time on the date of the encounter for code selection, 15 minutes must be met or exceeded.
INCLUDES	Includes When reporting by time, 15 minutes or longer required
99342	Home or residence visit for the evaluation and management of a new patient, which requires a medically appropriate history and/or examination and low level of medical decision making. When using total time on the date of the encounter for code selection, 30 minutes must be met or exceeded.
INCLUDES	Includes When reporting by time, 30 minutes or longer required
99344	Home or residence visit for the evaluation and management of a new patient, which requires a medically appropriate history and/or examination and moderate level of medical decision making. When using total time on the date of the encounter for code selection, 60 minutes must be met or exceeded.
INCLUDES	Includes When reporting by time, 60 minutes or longer required
99345	Home or residence visit for the evaluation and management of a new patient, which requires a medically appropriate history and/or examination and high level of medical decision making. When using total time on the date of the encounter for code selection, 75 minutes must be met or exceeded.
