

# Humana Now Partnering With Two National Durable Medical Equipment Organizations

---

## August 15, 2023

Effective July 1, 2023, Humana partnered with two national durable medical equipment (DME) providers— **AdaptHealth and Rotech**.

These partnerships are designed to enhance access to DME and create a more streamlined experience.

This network change is **only for Humana MA (Medicare Advantage) HMO** business and does not impact existing contracts for the MA preferred provider organization (PPO) or other contracted lines of business.

If you routinely request DME/submit DME referrals, you should now contact the DME provider assigned to your state to refer Humana MA HMO-covered patients for specified DME services.

⇒ **AdaptHealth:** AL, AR, CA, CO, CT, DC, DE, GA, IA, IL, KS, MA, MD, ME, MN, MO, NC, ND, NE, NH, NJ, NM, NV, NY, OK, PA, RI, SC, SD, TN, TX, VA, VT and WI

⇒ **Rotech:** Central North FL, IN, KY, LA, MI, MS, OH and WV

Each of the designated DME providers will have 90 days (or until Oct. 1, 2023, contingent upon medical necessity) to manage transition of existing DME rentals that are with providers no longer in network after July 1, 2023.
