

# Medicare Overpayments When Medicare is the Secondary Payer

---

**December 17, 2018**

Some providers are incorrectly submitting redetermination request forms for MSP overpayment issues.

Please use this notification as educational instruction and refrain from using the redetermination process for MSP overpayments.

If you find that Medicare paid as the primary, but should be secondary payer, please follow the steps below:

Based on your jurisdiction, complete the form below, include signatures and do not leave anything blank.

- ⇒ Jurisdiction K Medicare Part B MSP Overpayment Request Form (CT, MA, ME, NH, NY, RI, VT only)
- ⇒ Attach a copy of the primary explanation of benefits.
- ⇒ Mail or fax to the number listed at the bottom of the form.
